1973 PORSCHE 911 CARRERA RS TRIBUTE!

Original 1973 RS are selling over \$1,000,000.00!

This is one of the most sought after used vehicles on the

market, built by race team Kelly Moss Motorsports.

This car underwent 10yrs of incredibly detailed sorting, using

actual RS parts, by storied Porsche motorsport/restoration

experts "Kelly Moss Racing". After the original 1973 911E

body was acid bathed, then finished in single stage viorer

green, is when the fun started.
Sourced was the proper 2.8 ltr

twin plug motor from Foreign Car
Services in Kalamazoo MI.

Then the complete frame off
restoration and reassembly

began. We have over 200 photos,
along with recipes, and the

original COA from Porsche. With a
project of this scope/size it

just isn't possible to cover every
detail here.
