We have for sale a gorgeous low mileage 2011 BMW X3 xDrive35i Luxury Crossover SUV that has so much to offer and is a blast to drive! This X3 has the beautiful Sparkling Bronze Metallic paint with tinted windows to give the SUV a clean, private look and the 18-Inch Y-Spoke Wheels that give this X3 an incredible stance! We know that if you like how it looks in the pictures you will fall in love when you come drive it!

xDrive All-Wheel Drive system that gives this X3 a very stable ride even in poor weather and it handles winter roads so well. It makes this the perfect luxury SUV to drive in this part of the country! Under the hood is a potent 3.0L Turbo 6-Cylinder Engine with 300-Horsepower

Power 6-Cylinder Engine with 300 Horsepower and an 8-Speed Automatic Transmission with Sport and Manual-Shift Modes that make this crossover an absolute blast to drive!

Navigation System with turn-by-turn directions that makes travelling in an unfamiliar city much less stressful. Plus, it has a Rear-View Camera with Park Distance Control (PDC) that activates automatically when you shift to reverse. It gives you a clear view of what is behind you and the Front/Rear Parking Sensors (PDC) show just how close to an object your bumpers are which makes parallel parking on a busy street so much easier!

Heated Steering Wheel, Heated Front Seats and Heated Rear Seats are all part of the Cold Weather Package! If you have never had an SUV with heated seats or especially the heated steering wheel, you are in for a treat! They heat up fast and make a cold morning commute to work or class so much better!

Bluetooth Streaming Audio, a Built-In Music Hard Drive and Aux/USB Audio Inputs are all part of the phenomenal Hi-Fi Audio System! It also has AM/FM/CD Audio as well so there is no shortage of ways to bring your favorite music on the road with you! Additionally, it does have the Bluetooth Phone Connection so you can send and receive phone calls while driving without being distracted.

Panoramic Glass Roof makes the interior feel so open and large! The roof can tilt open to let just a bit of fresh air in or you can slide it wide-open to let plenty of fresh air in. There is a power sunshade as well so you can close it off when needed.

Large Rear Cargo Area with Split-Folding Rear Seats which is very convenient for hauling larger items! The rear seat is split 40/20/40 so you can fold part of the seat flat or the entire rear seat flat which opens up the entire back to haul large items and it protects the back seat from damage!

To make sure this BMW X3 runs and drives perfectly, it has been fully inspected and certified to be sold. The inspection process is very thorough and all of the SUV's systems, fluids, electrical, brakes, tires, suspension, engine and drivetrain are inspected so there are absolutely no surprises when you come to drive this X3! If you have any questions or you want to discuss a possible trade, please call anytime at (715)
