Meet our 2011 Traverse LT1. This capable crossover is delivered with front wheel drive and is powered by a 3.6-liter, variable-valve-timed V6 under the management of its standard six-speed auto-manual transmission. This duo puts out 281hp.

Family-friendly, spacious, quiet, and reasonably quick, this seven-passenger mid-sized crossover admirably fills the niche between a honkin'-size SUV and the effective, but, let's face it, punch-less minivan. Heck, with 116 cubic feet of seat-down cargo space, the Traverse boasts more capacity than most SUVs or minivans! As a bonus, it has a hefty 24 cubic feet of grocery/luggage space behind the third-row seat. Add in plenty of standard gizmos and goodies including a DVD player, and nearly sedan-like ride, and this crossover seems destined to win your heart over!
