Vehicle Description

AutoPark Dallas is excited to offer you this modified 2011 Chevrolet Camaro 2SS Head & Cam for sale! The rebirth of Chevrolet's Camaro occurred in 2010 to compete with Ford Mustang (2010) and Dodge Challenger (2008) getting their updated body styles, with Camaro coming out last but instantly taking the throne. Built on GM's superb Global RWD Architecture (Zeta) full-size platform, the Camaro sports a styling that dodges being totally retro with a more aggressive look. Come check out an amazing piece of American Muscle parked in our indoor 16,000 Sq Ft Showroom located in Addison, Tx. amongst our inventory of 60+ vehicles!

AutoPark Dallas is dedicated to offering a level of customer service not usually found in the automobile industry. We take pride in continuing this service long after the vehicle has been delivered. We strive for excellence and make every effort to see that our customer is completely satisfied with every purchase. Referrals and Testimonials is what our business is built on.

Our extensive buying experience guarantees quality, pre-owned and new vehicles hand-picked from factory sources. Our love for the automobile and our dislike of traditional dealership tactics motivate us to provide the service we do!

Pre-purchase inspections are always welcomed! We also offer airport shuttles, amazing finance options, extended warranties and so much more!

We accept trade-ins, will BUY your car (modified or not) even if you don't buy one from us, and offer consignment deals to SELL your vehicle for you! For more information just give us a CALL or TEXT!!
