2009 FORD MUSTANG SHELBY GT500 IN PERFORMANCE WHITE!

Here is another amazing deal from THR! A Beautiful Cobra with LOW miles and all the options! A GREAT car with tons of power/ fuel mileage etc. These cars are extremely fun to drive and turn heads!

WE FINANCE!

The name "Shelby" is a legacy all in itself. With racing heritage dating back to the 60's, any car lucky enough to wear the name is an instant piece of American heritage. In 2007 Ford released the rendition of the legendary Shelby GT500 and instantly set the pace for the market as we know it today! These GT500's featured a 500 Horsepower Supercharged 5.4L engine that instantly found itself on top of the horsepower races with the Camaro's, Mopar's, base Vettes, and other competitors. With the exhaust on this vehicle, the Cabin is very quiet and there is no "drone" pitch. We are HIGHLY impressed with the driveability of these Shelby's! They are one of the EASIEST and SMOOTHEST driving high horsepower vehicles ever made! Come see for your self! The GT500 isnt all about performance however. Along with performance and drivability comes comfort! The Shelby interior showcases black leather seating with leather wrapped door panels, leather wrapped and stitched dash, and leather shift boot with red stitching giving it that sleek, sporty, yet luxurious look. Seating is extremely comfortable. You could easily go cross country in this car! This GT500 also has the ambient lighting which allows you to select the color of the interior accents and change the color of the gauge lights. You can change the setting to show Red, White, and Blue! With all these ammenities and historical connections, It's simple, you can't go wrong with this car! Now, after the American car legend himself, Carroll Shelby, has passed away, these cars are soaring in value. This is the last of the Shelbys that will actually be designed by Carroll Shelby himself, so don't miss out on this beautiful masterpiece!!!!

Purchasing a car of this caliber, or any car for that matter, on-line can be very nerve-racking when you're not able to see it in person and drive the car yourself. However, at THR, our staff is extremely knowledgeable in these "specialty" cars. We know performance oriented cars very well and know the ins and outs to all the tuning details and common problems each specific car is subject to. Please feel free to call us so we can ease the buying process and go over any questions or details for you. Videos available on request.
