At Cotroneo Auto Group we take pride in offering the highest of standards in pre-owned luxury vehicles. Understanding how the internet has changed the automotive industry and recognizing that there are many First Time Buyers in the market place our goal is to establish a level of confidence with each and every one of our clients. The technique in which our car buying selection is made is a very detailed and organized process.

First, our journey begins with us hand selecting the finest of quality, highest equipment, and the most popular colored vehicles. Second, understanding that the majority of our inventory still retains the balance of the manufactures factory warranty we still carefully examine our vehicles, checking all of the fluids (change if necessary), measure all tire wear and pressure, and inspect all components to make sure they are all in proper working order.(i.e. operation of all power window, door locks, radio, navigation {if equipped}, sunroof {if equipped}, and that no warning lights are illuminated on the instrumentation panel, A/C and heat etc.). Third, our vehicles are then handled by the best reconditioning vendors in the area performing any cosmetic needs (i.e. touch up, paintless dent repair and wheel repair from any unsightly curb rash). Fourth, we then professionally detail the vehicle in our State of the Art detail department that encompasses over 35 years of experience. Lastly, we professionally photograph all of our vehicles. Every vehicle is photographed outdoors in natural light with high resolution camera equipment in which produces a true representation. We then utilize our Pricing Analytics Tool in our operating software allowing us to offer a grade "A" vehicle, at a fair price resulting in total client satisfaction.

eBay users, whether you are a first time buyer or a seasoned expert, we invite you when visiting one of our listings to take a minute and review our 100% feedback rating. Our clients have expressed true satisfaction with their buying experience. This is a true testament to our professional staff, operation, facility and client approval.

eBay has several formats in which you can list an item for sale, one being the traditional auction bid format, "with or without" a reserve, and the other being simply a "Buy it Now" format, which is a non-auction format. Our eBay sales history supports the "Buy it Now" format. We

About Us:

Cotroneo Auto Group is a family oriented Texas automobile dealer that has been independently owned and operated since 2004. Combined with over 40 years' experience in the automotive industry the Cotroneo Auto Group is a well-known name in the Dallas / Ft. Worth area. Our dealership features a beautiful "Texas Size" indoor showroom allowing our entire inventory to be both protected from outdoor elements as well as being available for immediate delivery. Ken and Shelia Cotroneo have mainly focused on the "wholesale" side of the business; buying local trades from franchised car dealerships, and "hand-selling" them to other dealers.
