Beautiful azure aqua exterior with aqua interior. Very high quality paint job. 409 425hp engine with 4 speed transmission. Engine appears to be a 1964 engine from carbs to oil pan so it is not original to this car. Runs excellent. Interior is excellent with everything working including tachometer and radio. All lights inside and out work as they should. Incredibly straight body with excellent high quality paint and perfect gaps. True miles unknown.
