Meet our stunning 2013 Sonata SE trimmed in Shimmering White. Hyundai proves a mid-sized family sedan with exotic good looks could still be just as practical as some bland competitors. From the sculpted grille to the raked roofline, Hyundai's signature design has created a family sedan that has won the hearts of people around the world. Under the hood proudly sits our 2.4 Liter 4 Cylinder that produces 200 horsepower and is paired to quick shifting 6 Speed Automatic transmission that can achieve 35mpg on the open road.

Our pictures display an interior that would make anyone feel at home. The roomy well-built cabin provides more interior room and larger trunk than many of it's closest competitors without cramping your lifestyle. Outside this SE includes 18-inch hyper silver alloy wheels and fog lights while inside you'll love the heated leather-bolstered sport seats. The Navigation & Sunroof Package includes a power tilt-and-slide sunroof, navigation w/touchscreen and rearview camera.

The Sonata has received a 2012 Top Safety Pick award from the IIHS as well as a 5-star overall crash rating by the NHTSA (the first midsize car to do so under the federal governments more stringent guidelines). It's time to reward yourself by driving a family sedan that doesn't scream boring. Print this page and call us Now... We Know You Will Enjoy Your Test Drive Towards Ownership!
