The paint and body are exceptionally clean and the interior is stunning! We know that if you like how it looks in the pictures you will fall in love when you come drive it!

Factory Warranty Remaining Until August 2019 or Until 50,000 Miles whichever comes first! This means you will be completely protected the moment you drive off the lot. This A4 Quattro qualifies for additional warranty coverage beyond the factory coverage for added peace of mind if so desired.

Quattro All Wheel Drive System makes this the perfect luxury sport sedan to drive in this part of the country. It handles like it is on rails with responsive steering and it feels stable in severe weather and while driving in less-than-ideal road conditions!

30MPG on the highway with All-Wheel Drive and the level of luxury and comfort this A4 provides is exceptionally good! Under the hood is a potent Turbocharged 2.0L 4-Cylinder and 8-Speed Automatic with Sport/Manual mode that makes this car a lot of fun to drive!

Keyless Push-Button Start and Keyless Entry which gives you the ability to lock or unlock the A4 simply by touching the door handle as well as start and drive the car without ever taking the key out of your pocket!

Audi Concert Audio System that makes listening to your favorite tunes even more enjoyable! It offers Bluetooth Streaming Audio, Satellite Radio, AM/FM Audio and CD Audio and Aux Input for your phone or Mp3 player so there is no shortage of ways to bring your music on the road with you!

Xenon HID Headlights that are amazing and have LED Daytime running lights that have become a staple of Audi's exterior style! These lights are significantly brighter than the old halogen style head lights and they don't blind the oncoming traffic. Once you drive at night with Xenons you will never want to drive without them.

Power and Heated Seats. If you've never had heated seats before you will fall in love the first time you use them. They heat up fast and make a cold morning commute so much better. The front seats are power adjustable with almost infinite adjustment to find the perfect seat position!

To make sure this Audi A4 runs and drives perfect we had it fully inspected and certified to be sold. The inspection process is very thorough and all of the vehicle's systems, fluids, electrical, brakes, tires, suspension, engine and drivetrain are inspected so there are absolutely no surprises when you come to drive this A4!
