## 2002 FORD SVT LIGHTNING IN RACE RED!

ONLY NINETEEN THOUSAND ORIGINAL MILES!!!!

Here it is! That once in a life-time deal that you just cant pass up! It's not every day that a low mileage SVT Lightning hits the market! DONT MISS OUT!!

The SVT lightning is a true American Legend! When Ford released this truck in 1999, it created a shockwave in the automobile industry. Soon, GM and other brands were finding themselves having to boost their horsepower ratings in their sports cars just to keep up with these trucks! Since then these trucks have become extremely rare and collectibility and value are steadily increasing! whether you are looking for a good investment, a showroom quality truck, a perfect daily driver, or a truck that "Takes you back to the day," this is the one for you! Everything about this truck is just how it was when it rolled off the showroom floor! The Interior is

PERFECT. The suede/leather seating provides a luxurious yet sporty feel. The paint on this Lightning is absolutely stunning! It gives that Rich, Deep tone that looks like you could jump into! Performance is obvious on this truck. One quick blip of the throttle, and the factory Eaton supercharger lets out that signature "whine" that is unlike anything else! This truck is near PERFECT in all angles!!!
