Drivetrain:	All Wheel Drive
Economy:	City 27 / Highway 33

We have for sale an immaculate 1-Owner 2017 Honda CR-V Touring AWD Crossover SUV with so much to offer! This CR-V has a great look with gorgeous Sandstorm Metallic exterior, 18-inch black and silver wheels and the stunning Ivory leather interior that gets so many compliments. The paint and body are exceptionally clean and the interior is fantastic. There is no doubt the previous owner loved this SUV and we know that if you like how it looks in the pictures you will love it when you get to drive it!

33MPG on the Highway with Honda's Full-Time All-Wheel Drive makes this a great SUV to drive in any part of the country! This CR-V has crisp responsive handling and feels stable in any sort of severe weather or poor road conditions! It also has a Tow Hitch which allows you to tow a trailer or add an external

cargo carrier for added cargo space!

Forward Collision Mitigation warns you when you are nearing a vehicle in front of you, if no action is taken the car will automatically apply the brakes to slow your vehicle down. The Blind Spot Information System detects when a vehicle enters your blind spot and will warn you if you try to merge or switch lanes while it is active and the Lane Departure Mitigation will warn you if the CR-V drifts out of the lane it is in.

Adaptive Cruise Control uses sensors and radar to automatically slow the CR-V down when approaching traffic and then will speed back up to your desired cruise speed once traffic clears! It makes a daily commute or cross-country road trip significantly less hassle!

Heated Seats with Remote Start which is the PERFECT combination in this part of the country! These seats heat up fast and make a cold morning commute to work or class so much better. Plus, with the remote start you can start the vehicle from inside your home or office and it will be toasty warm when you get in to leave!

Touchscreen Navigation System with Rear-View Camera. The navigation is very easy to use. It gives you turn-by-turn directions which makes road trips or driving in an unfamiliar city much less stressful and the rear-view camera automatically displays when you shift to reverse!

Keyless Entry with Push Button Start allows you to simply keep the key in your pocket and you can lock/unlock the Crossover without using the key. Just pull the door handles and it automatically unlocks, and you can start/drive the CR-V without using the key.

Streaming Bluetooth Audio, Apple CarPlay and Android Auto Integration, Satellite Radio capability and USB Inputs for your phone or Mp3 player give you multiple ways to bring your favorite music on the road with you! There are speakers throughout the SUV that provide crisp, clear sound quality to make listening to your favorite music even more enjoyable. It also has AM/FM Radio and Bluetooth Connection so you can send and receive phone calls while driving without distraction.

To make sure this Honda CR-V runs and drives

perfect we had it fully inspected. The inspection process is very thorough and all of the vehicle's systems, fluids, brakes, tires, suspension, engine and drivetrain are gone through so there are no surprises! If you have any questions or are considering trading in your current vehicle, please call us anytime at (715) 833-2020.
