Avalanche that runs and drives perfect, and looks even better! I cannot over describe how nice it truly is, inside and out, seriously it is that nice, it was bought originally by a friend of mine who was the president of our local bank here in town, then about a year ago he got a new truck and sold this one to his next door neighbor, and recently she had her son give her a vehicle so she sold this one to me, it has a great service and maintenance history so you can buy with confidence, and this is the special limited edition "Black Diamond", they made these because this was the last year they made them, which is only going to make the resale value on them great, i have all the books and manuals that came with it new, i have both keys and both remotes, i even have the original window sticker were it listed new for \$49,610.00, and to be able to find one with a perfect carfax, this nice, this clean, this cheap is a deal, and keep in mind i dont charge anything extra, no doc or dealer fee's, nothing!
