with its solid build, powerful performance, and its incredible tow and haul capabilities, this is your chance to own this 2016 GMC Sierra 2500HD! This is a local, one owner, perfect carfax, non-smokers truck that runs and drives perfect, and looks even better!

This beautiful one owner is in absolutely flawless condition, inside and out, seriously this truck looks like it is still new, seriously it is that new, it belonged to a company here in Arkansas and the only reason they got rid of it is their accountant told them they need to buy something for tax purposes, so they bought a new truck and i got this one, it has never had anything in the bed of this truck, i have no idea how you can keep a truck this new but they did, these trucks are really hard to find used, especially like this one, i have all the books and manuals that came with it new, i have both keys and both remotes, i even have the original window sticker were it listed new for \$36,560.00, and to be able to find one with a perfect carfax, this low of miles, this new, this cheap is a deal, and keep in mind i dont charge anything extra, no doc or dealer fee's, nothing!
