Excellent running Jaguar. 4.2L 6 cyl engine with 4 speed manual transmission. Engine has been rebuilt and is .040 over. Header has been added with original manifold included. Current owner has made some positive upgrades to make the car a great driver including; Wilwood front disc brakes, adjustable coil-over rear shocks, adjustable front shocks, polyurethane bushings in front suspension and larger anti-swaybars. Original parts included. Blue paint is an original Jaguar color and was done in the 1980's. Shows well with some chips from use. I do not see any rust, top or bottom. This car runs and drives great.
