Condition:	New
Engine:	0 cc
Exterior:	Unknown
Mileage:	0

2019 Harley-Davidson® Softail® Fat Boy®

RIPPED, REFINED, AND READY FOR ITS CLOSE-UP

The original fat custom icon. Now lighter than the previous generation Fat Boy, and slinging torque from a Milwaukee-Eight® 107 or 114. You'll feel the difference the instant you crack the throttle.

Features may include:

THE NAME MAY BE FAT BOY, BUT THE LOOK IS ALL MUSCLE

- SATIN CHROME FINISHES

An all-you-can eat portion of sculpted satin chrome gives the Fat Boy® motorcycle a look that'll make a big impact.

- STEAMROLLER STANCE

A muscular look thanks to solid-disc Lakester wheels wrapped in the widest front tire we've ever offered from the factory at 160mm combined with a rear tire at 240mm.

- MILWAUKEE-EIGHT® BIG TWIN ENGINE

A powerful, smooth-running engine with crisp throttle response and a pure, soul-satisfying rumble. Available in 107 and 114 engine displacements.

- SIGNATURE LED FORWARD LIGHTING

Darkness-defying lighting that gives you great visibility at night.

- SOFTAIL® FRAME

The reinvented frame retains the classic Softail® lines, but its lightweight design and stiffness translate to a responsive ride unlike anything you've felt before.

- HIGH PERFORMANCE FRONT SUSPENSION

Sophisticated suspension technology provides the performance of a racing-style cartridge fork for reduced weight with linear damping characteristics.

- HIGH PERFORMANCE REAR MONO SHOC

Easily adjustable mono-shock rear suspension allows for dynamic cornering while preserving the hardtail look.
