Please call us on this 2012 Dodge Ram 3500 Crew Cab Laramie Longhorn 4x4 with 6.7L Cummins Turbo Diesel Engine and Automatic Transmission!

I wouldn't know what to do with this much truck, but it is a thrill to drive! It's a big truck with a full-size cab and an 8ft bed, but the steering is tight and actually pretty easy to maneuver and if you're still having trouble the backup camera will save the day! Under the hood you have the prestigious 6.7L Cummins Turbo Diesel Engine that's well known for its dependability and ability to produce impressive amounts of power. The exterior looks incredible with the Deep Cherry Red Pearl coat still holding its shine. Carfax is showing an other damage report and during our inspection we did find previous work done to the bed and tailgate. Rest assured the work was well done and the paint match looks excellent! I even had to use a paint gauge to find it! Inside the well-trimmed cabin, you'll enjoy the clean and odor free brown Longhorn leather seats that look incredible up against the tan, brown and silver trim colors. This Laramie Longhorn has all the options you need: power windows, power locks, power rear sliding window, power folding mirrors, power heated and cooled front seats, heated steering wheel, cruise control, steering wheel controls, automatic headlights, cargo lamp, backup camera, dual climate control, factory trailer brake, traction control, factory Uconnect AM/FM/CD/AUX/USB Sirius XM ready radio with handsfree capabilities and so much more! With a truck like this 12 Ram 3500 Cummins Diesel DWR it is possible to have both luxury and capabilities at hand.

This has a clean and clear title history with CARFAX. You can view the entire Vehicle History Report at any time by clicking on the highlighted VIN or the Carfax icon above. Feel free to ask if you have any questions.

Now, here at American Auto Brokers we have a history of working hard to compete with your bank's rates. Almost every time we go to swing the bat, we get it done. We want to secure the best loans for our customers. We do large volume with our NATIONWIDE lenders along with our local banks and credit unions. Let us do the hard work and you get all the benefits. Sit back, relax and for once enjoy the vehicle purchase process.

If you have questions about this or any other vehicles, please contact us. We return all customer emails and phone calls as promptly as possible, and will be happy to help you throughout your purchasing process. Thank you and we look forward to speaking with you soon!

Please understand, we do our very best to describe in detail the condition of our vehicles, however, we are only human and these are used vehicles, therefore, American Auto Brokers, and their employees or agents will not be held accountable for errors or omissions in the description of the above vehicle or typographical errors in any of our vehicle listings. AMERICAN AUTO BROKERS MAKES EVERY EFFORT TO BE AS TRANSPARENT AS POSSIBLE WHEN OFFERING INFORMATION ABOUT THE INVENTORY ON OUR SITE. WE WILL DISCLOSE WHAT WE KNOW AND WHAT WE HAVE LEARNED REGARDING EACH VEHICLE, WHETHER IT IS PAINTWORK, PERFORMANCE ENHANCING EQUIPMENT OR ALTERED EXHAUST / EMISSIONS. WE DO NOT INSTALL ANY OF THIS TYPE OF EQUIPMENT, NOR DO WE TEST ITS PERFORMANCE. IT

IS STRONGLY ENCOURAGED THAT YOU HAVE AN INDEPENDENT PRE-BUYER'S INSPECTION DONE. WE DO NOT REQUIRE YOU TO HAVE ONE DONE, HOWEVER WE WILL NOT BE HELD RESPONSIBLE FOR ANY FINDINGS AFTERWARDS SHOULD YOU CHOOSE TO DISCARD YOUR RIGHT TO HAVE ONE DONE. All vehicle options (power opts, cd players/changers, audio equipment, entertainment systems/dvd, navigation systems/nav dvd, etc), specs, features, color descriptions, history, paint history, maintenance records and manufacturer's warranty information should be researched and confirmed by the buyer or third party service before completing purchase. Helpful research information can be found at Edmunds.com, AutoCheck.com, Carhex.com, CarFax.com, etc. At our dealership we work very hard to accurately describe our vehicles through text descriptions and elaborate photos. We hand select each vehicle we put on eBay. The vehicle shown is ALWAYS the vehicle being sold. Please look over the photos carefully as they are part of the description. When you purchase any pre-owned vehicle it is not a new vehicle. Any pre-owned vehicle can/will have normal wear, which may include, but not limited to, rock chips, scratches, scuffs, and minor interior wear, our policy is to disclose anything beyond that and we encourage pre-purchase inspections. When fresh inventory arrives, we do our best to inspect all power options, DVD systems, audio equipment, NAV systems, etc., however AAB will not be held liable or responsible for any of these items. ALL LIFTED AND FLAT BED UTILITY BED TRUCKS MAY OR MAY NOT HAVE SPARES. We will search and disclose paintwork. However, please bear in mind that this is an imperfect science. Also, you must note that often truck owners may choose to alter factory emissions and or exhaust to enhance performance or fuel economy. We often do acquire trucks that have these performance enhancing equipment already installed. This equipment may alter original emissions equipment or void factory warranties. We do not test or alter this equipment. If this is a concern of yours, please exercise your right to have a pre-purchase inspection prior to leaving your deposit. Our sales staff is available to assist in answering any specific cosmetic questions and will gladly walk around a vehicle to give you a more accurate description BEFORE a deposit is left. Ultimately, it is up to the potential buyer to do their due diligence. American Auto Brokers does not want to hide anything and we encourage everyone to have a pre-buyer's inspection done before purchase. Please be aware that until a holding fee or down payment has been made after the completion of the inspection, the vehicle is still available for purchase to the public and will not be held. Note: Our listing software provider allows the VIN to decode the ORIGINAL FACTORY EQUIPMENT that this vehicle had when it rolled off the factory line. There may/may not be additional dealer equipment that was added by the original selling dealer that will not be listed in this section. There may/may not also have items listed as original factory equipment that are no longer with the vehicle we are currently selling. For example: 2 sets of keys, keyless entry remotes, owner's manual, factory floor mats, Navigation discs, first aid kits, factory tires/size/load rating, spare tires/factory tools and/or jacks, etc. Please refer to the photos we have taken or ask us your specific concern to be certain there is no confusion. We will not be responsible for any discrepancies between the Original Factory Equipment section and what is presented in the photos or description. Please do not assume and allow us to put our answers to your specific concerns in writing. Human error is possible and we reserve the right to reverse any sale based on pricing/listing error which can occur at any time without notice. All inventory is listed for sale locally, therefore all are subject to sale at any time and may not be available. Everyone is encouraged to call with questions or concerns. "Note to other Dealers and Brokers due to the pricing we reserve the right to only sell to the retail public. We will NOT sell to other dealers, we appreciate your desire to buy from us but please no not call to check if we will."
