Here it is, your chance to own a very significant vehicle that is sure to become a sought after collector vehicle in the future! These four door beasts are proving extremely hard to find in good, clean condition! Many refer to them as Corvette sedans mainly due to their shared LS2 engine that produces a neck snapping 361hp. This power is shoved through a nearly indestructible 6L80 6 Speed automatic transmission that is also used in the Corvette. Along with the power comes a comfortable ride that will surely become an experience each time you get in your G8. Sporty leather seating, a huge back seat, lots of headroom, and a very quiet ride are the first things you will notice as well as the amazing quality of the factory Blaupunkt audio system. To top it all off the Pontiac G8 features very elegant and exquisite exterior stvlina that is sure to turn the heads

of many. With all the amenities and collectability these cars have, you simply cannot go wrong with this car!
