We vote yes. Rockin' the miles made better than ever. You're looking at the answer to the question, how do you fully load a touring bike with premium features and still roll with the stripped down bagger look? Check inside the sleek Project RUSHMORE batwing fairing and you'll get an idea. Your looking at the top-of-the-line 6.5 inch touchscreen infotainment system and BOOM!T Box 6.5 GT audio system. Then check out the details: color matched fairing skirt, 19-inch Enforcer front wheel, custom rear taillight and fascia. The list goes on. Yeah, it's stripped down But The Street Glider Special is loaded. Features may include: Control Project RUSHMORE started out as a way to re-think the venerable Harley-Davidson Touring motorcycle from fender tip to fender tip. It's turned into a never-ending quest. Each year the going just gets better for the rider who points one of our bikes down the highway. As you might guess, a big part of the effort has gone into finding ways to help riders pass faster, stop quicker, brighter Tour-Pakr luggage carrier lighting, brighter turn signals, brighter brake lights, and a steering head with stiffer front forks. The bikes are better then ever. Project RUSHMORE control. An invitation to see how good you can be, you deserve better sound than most people have in their living rooms. More sound. Purer sound. Big, full-color touch screens. Switches that are located where you intuitively want them to be and can reach without removing your hands from the grips. Voice activation for your music, and eyes, is infinitely better. Style With a name like Project RUSHMORE, you know we were aiming high when we set out to rethink what riders experience on our Touring machines. These weren't just motorcycles. They're part of the American landscape. So we set about perfecting the way they work, feel and look the only way we could. By riding. Millions of miles. Countless hours. More grueling road tests than any sane person would ever want to endure. We discovered the technology and the innovations to make the ride better. And through it all we never took our eyes of the style of the machine. Give your eyes a slow ride from fender tip to fender tip You see classic Harley-Davidson style and a sleek modern look come through at the same time. Clean. Tight. Modern. As up-to-date as the weather report blasting out the infotainment system. As timeless as the road is endless. - Contact Motorcycle Sales at 888-933-7674 or bob@usedmotorcyclestore.com for more information. -
