This classically styled, bold six-gallon fuel tank doesn't just give you a bigger canvas for premium or custom paint; it holds six gallons of go so you can eat up a lot more road between pit stops. We know fuel economy is important-but so is style. Sharp, eye-catching colors and precision-crafted Harley-Davidsonr tank medallions complete the unique look of this tough bagger.BAT-WING FAIRINGDesigned by Chief Styling Officer Willie G. Davidson, the nimble, fork-mounted Bat-Wing fairing first appeared on the touring scene back in 1969. And it continues to evolve and symbolize the essence of Grand American Touring motorcycles more than forty years later. A lower profile, smoked windscreen with a unique contour adds to the distinctive look of the Street Glider model.GTXr SADDLEBAGSThese injection-molded hard bags have room for 2.26 cu. ft. volume of long-haul luxuries and a perfect surface for showing off some premium paint. Exclusively on the Street Glider model, saddlebag latches and hardware are painted to match the bike's color instead of a more chromed-out look. Even better, these saddlebags open from the top, so your gear won't end up spilled all over the highway. They keep your fancy unmentionables dry, and the color-matched latches won't corrode in bad weather. And when you're off the road, one common key starts the bike and gives you access to your saddlebags, keeping your pockets as uncluttered as your bike's classic design.CUSTOM REAR TAILLIGHT AND FASCIANo more clutter on the back end with tri-line fender lights-a brilliant, unique taillight as the centerpiece-plus ground effects and a low mounted license plate with LED lighting for crisp visibility and style. This completes the custom, one-of-a-kind look. - Contact Motorcycle Sales at 888-933-7674 or bob@usedmotorcyclestore.com for more information. -
