From front to back, this bike has a vintage motorcycle look. This Dark Custom has several custom styling features that all add up to a stripped down, minimalist, minimal look of the Nightster T model. Born at the drag strip, the drag-style handlebar is an old school garage feature that puts you in a forward, aggressive riding position. STOP-TURN-TAIL LIGHTS Old school looks meet new-school engineering. Black, retro-style bullet taillights combine functionality to work twice as hard-stop beams and running lights plus turn indicators in two low-profile rear lamps. This eliminates the need for extra lights, creating a clean, minimal look. SIDE-MOUNTED LICENSE PLATE True to the clean, fast lines of the bike, the side-mounted license plate leaves the rear fender surface smooth and uncluttered. Minimal and unique every inch of the T motorcycle is styled to perfection to achieve a raw, custom look. CLASSIC PEANUT FUEL TANK As one of the defining features of the Harley-Davidson Sportster models for decades, the classic 3.3 gallon tapered peanut fuel tank still holds strong today with its traditional styling and modern attitude. Following the line of the bike from front to back, the peanut tank angles down just right into the solo Sportster seat. Attitude and looks all balled up into one. - Contact Motorcycle Sales at 888-933-7674 or [bob@usedmotorcyclestore.com](mailto:bob@usedmotorcyclestore.com) for more information. -
