Vehicle Description

2008 Mercedes S63 AMG Mercedes UBER Sedan!

Contact: Jim at 818-648-5223

The Mercedes S63 is a remarkable automobile. With it's 6.2 litre V8 producing 518hp, it rockets to 60mph in a scant 4.5 seconds, putting many sports cars to shame!

This stellar performance happens in the comfort of one of the most luxurious sedans on the market!

Our featured S63 is in excellent shape. Its's paint still showing a new car luster free of any significant dings or scratches. The smoke free leather interior is in excellent shape as well.

Recently serviced, with only 68,000 miles. (approx 5800 miles per year) all operating systems are in good working order.

This S63 had a MSRP of close to \$136,000. This is a great opportunity to own this amazing sedan at a fraction of that price.

****Please note, we have completely gone through the car mechanically and cosmetically. As such, we have the following list of items that have been improved since taking the car in:**

Reconditioned rims front and rear

(4) new Hankook Ventus tires

New Brakes front and rear

Front suspension strut bearings

Full engine service including new oil and filter

Refinish front and rear bumpers

****The mileage is currently 68,327 miles****

We often close our auctions early with a phone call. We can also assist with any

of your shipping requirements.

Please contact Jim at 818-648-5223 with any additional questions.
