## Vehicle Description

This 2015 Honda Shadow Aero Shadow Aero . The vehicle is RED with a RED interior. It is offered As-Is, extended warranty is available. - 2015 HONDA SHADOW AERO - This Honda is in Excellent overall exterior condition - 2015 Hondar Shadow AeroRighteous Look. Right Price.You don't kick back and relax in a suit and tie. When you want to take it easy, you slip into something more comfortable, a little more your style. Same with a motorcycle. And time is the test of style. So when you want to go for a nice, relaxed ride, you want a bike that fits you like your favorite leather jacket or your old blue jeans, and one that looks just as chill too. And that's what the Hondar Shadow Aeror is all about. Our Shadowr line of cruisers are some of the most popular bikes on the road, and one look at the Shadow Aeror will tell you why. Features like its spoked wheels, full fenders and long, chromed mufflers are all about taking it easy, and looking good while you're doing it. But the Aeror rider also gets some thoroughly modern performance courtesy of this bike's 745cc V-twin engine, specially tuned for low-revving torque. Maintenance-reducing features like shaft final drive make the Aeror easy to own. And best of all, the Aeror is a huge bargain, giving you a big-bike ride without the big-bike price.Features may include:InnovationsSpoked WheelsSpoked wheels give the Aeror a classic look.Full Front FenderWide metal front fender gives the Aeror a classic styling touch.Front-Disc Brakelf there's one place you DON'T want retro performance, it's your brakes. That's why we gave the Shadow Aeror a 296mm front disc for distinctly modern stopping power.Programmed Fuel Injection (PGM-FI)Forget about fiddling with a choke-the Shadowr's fuel injection system means no-hassle startups on cold mornings or at high altitudes, and optimal performance in any condition.V-Twin EngineNothing pumps out the torque like a big V-twin. The Aeror's power makes it perfect for both around-town cruising, commutes and casual weekend-long rides.Chrome HighlightsChrome highlights include cylinder-head cover, air-cleaner cover, engine sidecovers, brake and clutch-lever brackets, rear brake pedal, shift lever, handlebar, unhurried pace, yet allows you hop on the highway without revving the engine through the roof.Low Seat HeightSkimming the pavement at just 25.9 inches, the Aeror's low seat height makes flat-footing it at stoplights or in parking lots a breeze. And the Aeror's narrow seat/tank junction makes it feel even lower.Comfortable SaddleBroad, low-slung solo seat features a detachable passenger seat.2-Into-2 Exhaust SystemSleek pipes feature bullet-style mufflers for that classic cruiser style of yesteryear. Large-diameter head pipes and 2-into-2 system design combine to put out true, V-twin cruiser sound. - Contact Motorcycle Sales at 888-933-7674 or bob@usedmotorcyclestore.com for more information. -
