## 2019 Harley-Davidson® Sportster® Iron 883™

EVERYTHING YOU NEED, NOTHING YOU DON'T

An original icon of the Harley-Davidson Dark Custom style. It sets the standard for the raw, stripped-down, blacked-out look. Now with fresh, new graphics.

Features may include:

TEAR UP THE NEAREST STREETS WITH RAW CUSTOM STYLE

- **BLACKED-OUT LOOK**

It's the poster bike of the anti-chrome movement. You've got a black powder-coated 883cc engine with black rocker covers. Black on the throwback round air cleaner cover. Chopped fenders, to show off a little rubber and black front forks with gaiters to add a little old-school nostalgia.

- **STREET INSPIRED PAINT**

We created paint jobs with colors that look right against the backdrop of the urban grid, and don't need a lot of maintenance. These are tough finishes, as mean as the meanest street.

- **LOW SEAT & SLAMMED SUSPENSION**

The combination of a lowered front and rear suspension together with a low, narrow solo seat—just 25.7-inches high—provides comfort and confidence for riders of all sizes and experience. The ride is responsive and plush, whether you're dodging urban potholes or out exploring the back roads.

- **TUCK AND ROLL SEAT**

A solo seat that combines modern comfort with an authentic "tuck and roll" design inspired by the early days of the bobber.

- **MACHINED 9-SPOKE WHEELS**

Nine-spoke wheels that are black as night where the rim meets the

rubber and set off by a more contemporary mechanical look machined into the spokes.

- 883CC AIR-COOLED EVOLUTION® ENGINE

Authentic Harley-Davidson style through and through, dripping with power. The rubber-mounted 883cc Evolution® engine runs hard and rides smooth for thousands of miles so you can just worry about taking in the freedom of boulevards and back streets.

- DRAG-STYLE HANDLEBAR

Born at the drag strip, the low-rise, slammed black drag-style handlebar is an old-school garage feature that puts you in a forward, aggressive riding position.
