It is offered with the remaining factory warranty. - 2018 HARLEY-DAVIDSON SPORTSTER IRON 883 XL883N - This Harley-Davidson is in Excellent overall exterior condition - Clock, Security System, Blacked-Out LookIt's the poster bike of the anti-chrome movement. You've got a black powder-coated 883cc engine with black rocker covers. Black on the throwback round air cleaner cover. Chopped fenders, to show off a little rubber. And black front forks with gators to add a little old-school nostalgia. Street Inspired PaintWe created paint jobs with colors that look right against the backdrop of the urban grid, and don't need a lot of maintenance. These are tough finishes as mean as the meanest street. Low Seat & Slammed SuspensionThe combination of a lowered front and rear suspension together with a low, narrow solo seat-just 25.7-inches high-provides comfort and confidence for riders of all sizes and experience. The ride is responsive and plush, whether you're dodging urban potholes or out exploring the back roads. Tuck and Roll SeatA solo seat that combines modern comfort with an authentic ""tuck and roll"" design inspired by the early days of the bobber. Machined 9-Spoke WheelsNine-spoke wheels that are black as night where the rim meets the rubber and set off by a more contemporary mechanical look machined into the spokes. 883cc Air-Cooled Evolutionr EngineAuthentic Harley-Davidson style through and through, dripping with power. The rubber-mounted 883cc Evolutionr engine runs hard and rides smooth for thousands of miles so you can just worry about taking in the freedom of boulevards and back streets. Drag-Style HandlebarBorn at the drag strip, the low-rise, slammed black drag-style handlebar is an old-school garage feature that puts you in a forward, aggressive riding position. 2018 Harley-Davidson Iron 883 - Totalmotorcycle.com USA Specifications/Technical DetailsUS MSRP Price: \$8999 to 9449 USD Pricing6Color \$8, 999Hard Candy Custom \$9, 449EngineEngine 1 Air-cooled, EvolutionrBore 3 in.Stroke 3.811 in.Displacement 53.9 cu inCompression Ratio 9:01Fuel System 3 Electronic Sequential Port Fuel Injection (ESPFI)Exhaust Black exhaust headers and black mufflersDimensionsLength 86 in.Seat
