"This 2016 Harley-Davidson CVO PRO STREET BREAKOUT FXSE CVO BREAKOUT FXSE features a 110ci SCREAMIN EAGLE 1803cc cyl engine. The vehicle is Black with a Not Specified interior. It is offered As-Is, extended warranty is available. - 2016 HARLEY-DAVIDSON CVO PRO STREET BREAKOUT FXSE - This Harley-Davidson is in Excellent overall exterior condition - The CVOT Pro Street Breakout is all about dark style and massive torque. It features cutting-edge finishes with show-stopping paint and styling details fender to fender. The Aggressor wheel mounts to a 240mm rear tire. The forward controls, new race-inspired seat and handlebar create a riding position perfect for prowling. And a Screamin' Eagler Twin Cam 110BT engine with heavy breather intake, inverted forks and new dual-disc front brakes mean the performance matches the power of its style. It's our top-of-the-line take on long, dark American muscle. Where others offered bright colours and bling, this blacked-out bruiser is darker and meaner, with painstaking attention to detail ensuring this bike feels as good as it looks. Exclusive Performance Cruiser Detailed with New Dark Finishes Harley-Davidson Custom Vehicle Operations (CVO) re-writes the factory-custom style book with the introduction of the 2016 CVOT Pro Street Breakout motorcycle, a limited-production model that introduces a new, darker look utilizing cutting-edge finishes and textures applied with an obsessive eye to design and detail. Steeped in drag-racing attitude, the CVO Pro Street combines high-intensity performance with a long, muscular look that's pure American street machine. Harley-Davidson CVO motorcycles are customized using premium components and exclusive paint treatments and surface finishes combined with numerous items from Harley-Davidson Genuine Motor Accessories. The CVO program is often used to introduce new custom elements and techniques, and the dark styling direction of the CVO Pro Street Breakout provided the Harley-Davidson design team with an opportunity to utilize several new finish treatments." "The Pro Street Breakout represents a new dimension of CVO motorcycles," said Harley-Davidson Styling Director Brad Richards. "The Pro Street Breakout takes its cues from the streets and reflects our own changing tastes. It still delivers the depth of detail and value and the bragging

rights the CVO customer expects, for example. The Breakout really lent itself to this new styling direction." "One new finish being introduced on the CVO Pro Street Breakout model is called Smoke Satin Chrome." "We worked intensely with our plating suppliers to develop the hue and depth of Smoke Satin Chrome, and we are the first to use it in the motorcycle industry," said Harley-Davidson Senior Stylist Dais Nagao. "It's a finish that looks really contemporary and exclusive but also kind of sinister. We've carefully placed Smoke Satin Chrome next to a black surface so it creates a layered effect. For example, the top rocker cover is gloss black, and the lower cover is Smoke Satin Chrome. It's on the exhaust header shields next to the black engine and black mufflers. We used Smoke Satin Chrome on the oil lines and fittings to add an unexpected detail." "Scorched Chrome, a second new finish debuting on the CVO Pro Street Breakout, plates the Aggressor custom wheels. Restyled derby and timing covers have a new, mechanical look. Sheet metal is finished in solid Starfire Black or two-tone White Gold Pearl/Starfire Black, each with a single hand-applied graphic stripe flowing along the tank and rear fender to reinforce the performance theme of the CVO Pro Street Breakout. That performance is delivered by the Screamin' Eagler Twin Cam 110BT, the most-potent Harley-Davidson production air-cooled engine. To extract maximum performance the engine is fitted with black blunt-cut mufflers, an open-element Screamin' Eagler Heavy Breather Elite intake, and a high performance Assist & Slip clutch with hydraulic actuation. To help the rider take full advantage of the Screamin' Eagle power, the CVO Pro Street Breakout is equipped with new 43mm inverted forks gripped in a robust three-bolt t - Contact Motorcycle Sales at 888-933-7674 or bob@usedmotorcyclestore.com for more information. -"
