#### Reviews:

\* The 2012 Nissan Altima Sedan is a car with multiple personalities. In base form, it serves those seeking a low-cost source of secure transportation while still enjoying some nice standard features. Go big, and you can be driving a potent V6-powered sport sedan loaded with everything from a Bose audio system to voice-activated navigation. Source: KBB.com

\* Responsive steering; capable chassis; quiet ride; many available electronic features; available coupe body style. Source: Edmunds

\* If you're seeking a sleek and efficient coupe that is a bit more sophisticated than the traditional 2-door muscle car, the 2012 Nissan Altima Coupe is for you. It's not hard to mistake a loaded V6-powered Altima Coupe for a much more expensive premium car. Source: KBB.com
