2009 Harley-Davidson® Road King® Classic

Rolling nostalgia you can ride over the horizon, the Road King® Classic incorporates styling elements from the past in a touring motorcycle with modern technology. The 2009 Road King® Classic retains its 16-inch front and rear laced steel wheels and wide-whitewall tires. Tooled leather covers the seat trim and the leather-covered saddlebags. Touring features include a large detachable windshield, auxiliary passing lights, and standard cruise control. Two-tone fender graphics are new for 2009, and a new license bracket locates the plate above the tail lamp.
