Occasionally we obtain vehicles for resale. This is one of those vehicles. Our mechanics have gone through the vehicle to replace inoperative and worn components. We're confident that this vehicle exceeds comparable vehicles found elsewhere and represents the highest value at this price point.

We are not a typical dealer; as a vehicle remanufacturer, we typically add more value in parts and labor to our reconditioned vehicles than anybody in the market.

We do not provide or arrange financing; however, we can refer you to a lender familiar with our products.
