2017 Harley-Davidson® Breakout®

Big wheels, big paint and classic drag-bike attitude meet modern refinement. Then we stuff it brimful with raw power.

There's nothing like a fistful of American street muscle.

Feast your eyes on the Breakout™. Its profile is low, stretched out and undeniably aggressive. We top it with drag bars and enhance its custom look with 21-spoke Turbine wheels. The High Output Twin Cam 103B™ engine delivers loads of torque to a wide 240mm rear tire. ABS comes standard. Go out and put a hard pounding on the pavement. It doesn't get any better.
