Current owner has had car for 40+ years and it has been completely garaged in California.

Runs fine, starts up immediately even after sitting in the garage for months. Drives fine.

Driven to work daily in the 80s in Saratoga/Sunnyvale area. It lived in Palm Springs (the owner drove it to Palm Springs) for about 10 years where it was not driven much. Not driven much in the Modesto area as the weather is too hot.

Was disassembled and repainted about 35 years ago. It has TC spoked chromed wheels, MGA brakes, custom steering wheel, non-standard dashboard, 5 bladed fan (for extra cooling), and non-standard headlights. Reupholstered about 8 years ago. The top has not been used much.

The third gear needs to be under load or else it pops out of gear.

Paint is about 35 years old.
