The 19-Inch M3 Black wheels are curb rash-free and the set (4) of Michelin Pilot Sport A/S 3 tires are 95% new. I would have to say after inspection it looks as if it was a “Garage Queen” most of its life and never abused or damaged. Original paint, non-smoker, no current or previous paintwork and a very clean M Coupe. It does have a 3M Clear Shield on the hood, bumper and fenders. You get both remote keys, the owner’s manuals, a copy of the window sticker ($72,650.00) and a clean Texas title.

These V8 M3’s are getting harder and harder to find in this condition! After searching online and doing my research on what I should “price” this one for, I would have to say it would be hard to find one in this condition with these options and only 36,000 miles on it for less than $37,700.
