Vehicle Description

2017 Harley-Davidson® Iron 883™

Aggressive throwback styling taken to a place altogether new. No need to shine this machine. Just get on and tear up the nearest street.

A great leap forward in the dark arts.

You're looking at a pioneer of raw, blacked-out, stripped-down custom style. In the years since its introduction, it has only gotten better. Fine-tuned suspension. Tuck and roll seat. Black cast aluminum wheels with machined highlights. And blacked-out surfaces from fender to fender. You get everything you need. And nothing you don't.
