Vehicle Description

AutoPark Dallas is excited to offer you this 2010 Chevrolet Camaro 2SS for sale! The rebirth of Chevrolet's Camaro occurred in 2010 to compete with Ford Mustang (2010) and Dodge Challenger (2008) getting their updated body styles, with Camaro coming out last but instantly taking the throne. Built on GM's superb Global RWD Architecture (Zeta) full-size platform, the Camaro sports a styling that dodges being totally retro with a more aggressive look. Our Camaro here not only is the first year of the remodel and packed with factory goodies to make this beast burn rubber on the road!!! Come check out an amazing piece of American Muscle parked in our indoor 16,000 Sq Ft Showroom located in Addison, Tx. amongst our inventory of 100+ other unique and luxury vehicles!
