This is a TRUE CarFax Certified Honda Civic that has not been involved in a collision! This Civic HAS ONLY 75K ORIGINAL MILES! We just had our own independent service/safety inspection performed by our local ASE Certified shop we use. This included all recommended repairs/maintenance which ARE ALL documented on the invoice located on our website.... giving this car a clean bill of health! We have a FREE CarFax report on there as well! All equipment and options are in working order without issue. There are not any warning/hazard indicator lights illuminated in the dash! The tires have approximately 75-80% of the tread remaining. Overall this car is in immaculate cosmetic and mechanical condition. There are not your typical dents, dings, or scratches that you so commonly see! The interior is equally as nice not having any rips, tears or stains! This car has not been smoked

in and appears to have been garage kept. The rubber moldings and trim are in excellent shape and are not faded.... nor dry rotten. This car gets 30/40-MPG and is as reliable means of transportation that exists! CALL KEVIN DIRECTLY @ 706-294-3431.
