We have for sale a gorgeous 2013 Chevrolet Equinox LTZ 4WD Crossover SUV that looks and drives fantastic! This Equinox has very clearly been well cared for inside and out and has a lot to offer. If you are looking for an inexpensive, reliable SUV, then this Equinox is the perfect choice and we know that if you like how it looks in the pictures you will love it when you come drive it!

Full-Time 4-Wheel Drive provides a very stable ride even in poor weather and it will handle the winter roads so well. Plus, you never have to worry about if you should or shouldn't be in '4x4'. Under the hood is a 2.4L 4-Cylinder Engine and 6-Speed Automatic which makes for a very reliable SUV that is capable for many of your needs and doesn't cost an arm and a leg to fill up at the pump!

Touchscreen Navigation System with turn-by-

turn directions makes taking road trips or traveling in an unfamiliar city so much nicer!

Rear-View Camera automatically displays when you put the Equinox in reverse! This makes parallel parking on busy streets so much easier and stress free!

Heated Seats that are amazing for the colder seasons of the year! The seats heat up fast and make a cold morning commute so much better.

Factory Remote Start that lets you start the SUV from inside your house or office so you'll never have to get into a freezing cold vehicle again and during the summer you can have the air conditioning on before you ever sit in the seat!

Pioneer Audio & Infotainment Touchscreen means an easy to use sound system with crisp and clear sound quality throughout the SUV. It has a Bluetooth Streaming from your smartphone, it is Satellite Radio ready, has Aux and USB Inputs and offers AM/FM/CD Audio so there is no shortage of ways to enjoy your favorite music or programs!

Split-Folding Rear Seats that gives you the flexibility to fold part or the entire rear seat flat which then opens up the entire back portion of the SUV to haul large items.

To make sure this Chevy Equinox runs and drives perfect we had it fully inspected. The inspection process is very thorough and all of the vehicle's systems, fluids, brakes, tires, suspension, engine and drivetrain are gone through so there are no surprises! If you have any questions or are considering trading in your current vehicle, please call us anytime at (715) 833-2020.
