2017 Harley-Davidson® Forty-Eight®

The 2017 Forty-Eight® motorcycle comes at you with more low-slung Dark Custom™ attitude than ever, from its fat front end to its cast aluminum wheels.

We didn't rebuild it. We reloaded it.

The first time the world saw this iconic 2.1-gallon gas tank was in 1948. But the world has never seen it sitting atop anything quite like this. The Forty-Eight®. Designed with its signature bulldog stance and the powerful 1200cc Evolution® engine. Large 49mm front forks, an adjustable rear suspension, cast aluminum wheels with floating rotors and powerful brakes bring plenty of handling and comfort to all this heavy-hitting style.
