Awards:

* 2011 KBB.com Best Resale Value Awards * 2011 KBB.com Brand Image Awards

Reviews:

* If your mom or dad had BMW's 2002 while growing up, or you had one while in school, the 1 Series is a valid successor, delivering a tight, tidy package and a more nimble footprint than the bigger 3 Series. Without that point of reference, the 1 Series will succeed for its on-road dynamic, quality of construction and reasonable - albeit not great - fuel efficiency. Also, if you're a fan of convertibles with soft tops, this is where you find it; BMW's 3 Series has gone to a convertible hardtop. Source: KBB.com
* Powerful, fuel-efficient engines; nimble handling; solid construction, refined performance; convertible available. Source: Edmunds

Vehicle History Report : as Of 09/16/2019
