## Vehicle Description

2003 John Deere 110 Backhoe Loader 4x4 Low Hours Operates Great

We purchased this machine from an insurance company. Had very minor fresh water damage. We inspected and found no water in the differentials, PTO , transmission , or hydraulic system. We did find a small amount of water in the engine. Machine was never started after water intrusion. We drained and filled all systems. Checked and rechecked fluids to insure there was no water intrusion. Machine drives and operates great! 422 Hours! Tires are like new! Previous owner did take front bucket off machine, so sale of machine will not include front bucket.
