This is a local, one owner, perfect carfax, non-smokers Raptor that runs and drives perfect, and looks even better! This beautiful one owner is in flawless condition, inside and out, seriously i cannot over describe how brand new it truly is, this truck was bought brand new by a friend of mine, it has never been off the pavement, never been in 4WD, and has been garaged its whole life, he basically used it like a car, please be aware when you are comparing vehicles that this one has the 802A package which is a \$9770.00 option, plus this one has a lot more extra options, just dont be fooled by cheaper Raptors that dont have near this much equipment, i have all the books and manuals that came with it new, i have both remotes, i even have the original window sticker were it listed new for \$70,300.00, and to be able to find a one owner, with a perfect carfax, this nice, this clean, this cheap is a deal, and keep in mind i dont charge anything extra, no doc or dealer fee's, nothing!

Please feel free to give me a call to further discuss your interest in this 2018 Ford F-150 Raptor
