## Vehicle Description

AutoPark Dallas is excited to offer you this Modified 2004 Nissan 350Z Enthusiast for sale! We stopped for a second and thought of a checklist for the ideal sports car: two seats, lightweight body, rear-wheel drive, big wheels and tires, and curves for days. Everything fits perfectly with what we, AutoPark Dallas, claim is our bread-n-butter and proudly sell: the Nissan Z. Our 350Z is the last year of the 350z coupes and goes back to its heydays with a hunkered down cockpit, knife-edged looks, and considered the Fifth generation of Z(s) that pushes corners like nothing with stock 306 horsepower! This Z has been touched with tasteful modifications that majority are just NISMO parts themselves, she also rides on 19" TSW Wheels, and bumps with two 12" JL Audio Subwoofers! If you love the Z or just want a fun eye-catching sports car, come check out our Nissan 350Z sitting in our indoor 16,000 Sq Ft Showroom located in Addison, TX amongst our inventory of 100+ other unique and luxury vehicles!
