At Midtown Motorcycles and Scooters we truly believe that “It is not WHAT you ride, It’s THAT you ride.” However, no one ever said you can’t ride in style! The Rocket combines the pleasures of a scooter with the hipness of a motorcycle, and will also get you about 80 miles to the gallon.

This rocket is FULLY AUTOMATIC! No need to shift gears. Just point this gorgeous Rocket in the direction you want to go, twist the throttle and off you go. Four stroke engine so no mixing oil and gas. The Rocket is fun, stylish, and easy to operate!
