This was a personally owned executive vehicle and has been meticulously maintained. The pictures speak for themselves.

New the vehicle had dealer installed carpeted bed-liner, locking hard cover, remote start and skid plates.

The truck still has the new car smell and feels just like it did when it was drove off the lot. The tires still have stubs from when they were new.

This truck is a joy to drive with great economy and plenty of power, even in 4x4.
