Thank you for looking at our 2016 Mercedes Benz 170 inch Wheelbase High Roof 2500 Sprinter Van. This van has been gently used. The drivers compartment is clean and odor free. Immediately behind the two front seats is a full floor to ceiling safety wall. This wall greatly reduced noise in the drivers area. From the wall to the rear cargo doors you have 170 inches measured on the floor. This van has no windows in the cargo area for extra security. Currently this van has high quality shelving down both sides of the cargo area. We have the cargo bins to fit in the cargo shelves.

This Sprinter van would be great for the business owner operator. The shelves in the cargo area can easily be removed to accommodate your interior modification needs. The tires on this van are new. Please call or email with any questions.
