Please call us today to begin your purchase!

Reviews:

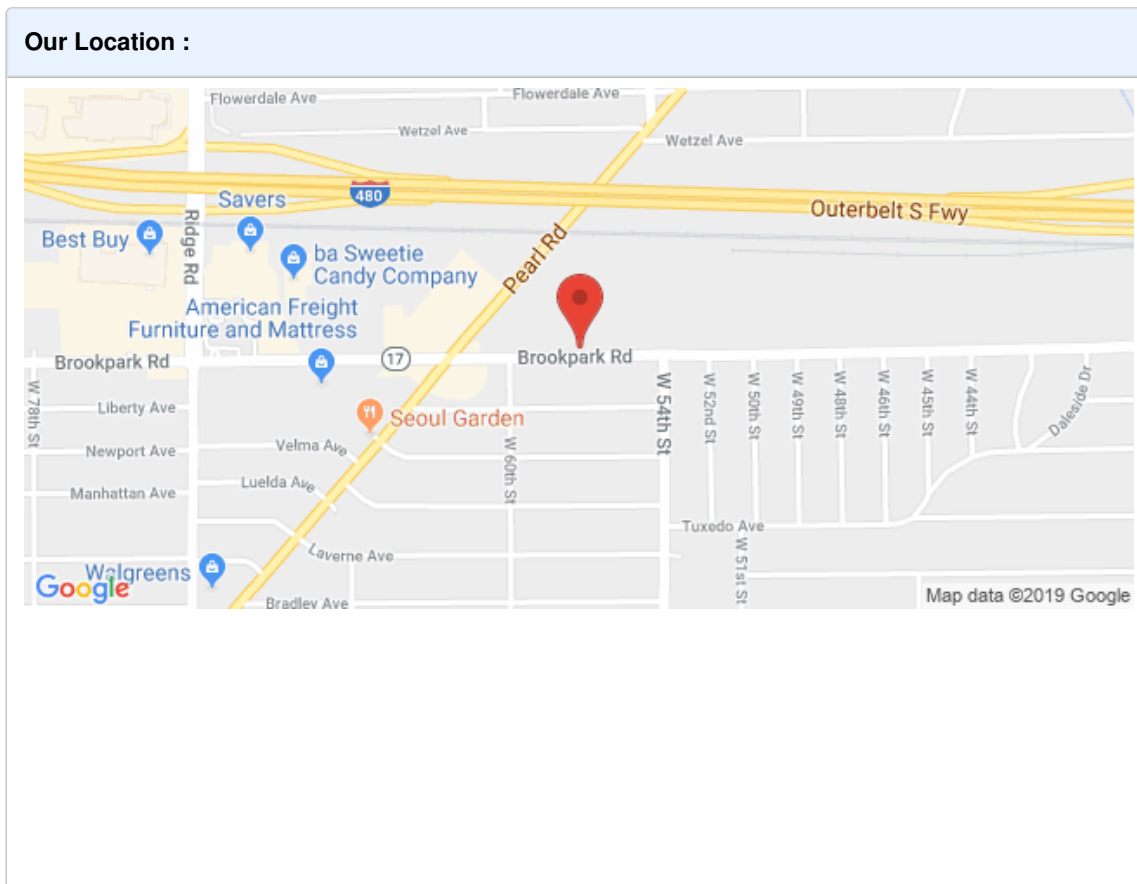

* If you think the BMW 5 Series could have a better ride and a more luxurious interior, then the 2015 Audi A6 might fit the bill - doubly so if you seek high performance with the S6. An excellent audio system and quattro all-wheel drive (AWD), makes the A6 nearly irresistible. Source: www.kbb.com

KBB.com

* Finely finished interior with generous passenger space; strong supercharged and diesel V6 engines; impressive diesel fuel economy; top crash-test scores; sporty handling. Source: Edmunds
* With sharp lines, short overhangs, and fashion-defining touches like the optional LED headlights and standard LED taillights, the 2015 A6 is an undeniable presence. Looking beyond its great beauty also reveals great engineering, as the body features a drag coefficient of just 0.26, a wind-cheating figure that lets the A6 more easily slip through the air, paying in quietness, fuel efficiency, and performance. The cabin of the A6 upholds Audi's tradition of blending style and class. Crisp instrumentation, complementary colors, and aluminum inlays create an inviting ambience. Supple leather covers the surface of every seat and three-zone automatic climate control ensures rear passengers remain almost as spoiled as those in front, who enjoy heated seats. The A6 is proof of how optimizing every part can lead to a greater whole. Its 2.0L TFSI engine features turbocharging and Audi FSI direct injection, helping it keep pace with larger engine competitors while achieving superb mileage. The available 3.0L TFSI V6 engine stands ready with a 310hp rush and the Tiptronic automatic transmission features eight speeds, the highest in the luxury segment. Add communicative steering, a firm yet comfortable ride, and the traction of Audi quattro all-wheel drive; widespread praise of the A6 drive should be no surprise. Audi connect with Google Earth imagery and Wi-Fi connectivity for up to eight passenger devices. You can also access information and navigate entirely with your voice in just a few commands. Audi MMI Radio Plus with ten speakers, a single CD player with mp3 playback capability and iPod integration offer a premium sounds system. Source: The Manufacturer Summary
