Reviews:

* If you need to pull a class-leading 30,000 pounds - or just want the knowledge that your truck can - the Ram Heavy Duty has the muscle to do so. Meanwhile, its comfortable interior can coddle calloused hands and its sophisticated technology can keep you connected. Unlike its rivals, Ram HD trucks can be had with a manual transmission. Source: KBB.com

* High-quality cabin; massive torque with diesel/automatic powertrain; roomy rear-seat room (Mega Cab); quiet highway ride. Source: Edmunds
