## Vehicle Description

### 2017 Harley-Davidson® Street Glide® Special

Do you want plush, top-end touring technology and infotainment or unruly stripped down bagger style? We vote yes.

Rockin' the miles made better than ever.

The Harley-Davidson® Special model set the world standard for the stripped-down, hot rod look. Its style is often copied, but never duplicated. The all-new Milwaukee-Eight® 107 engine backs up the look with massive torque. The ride is unmatched as well, thanks to the all-new suspension and Reflex Linked Brembo® brakes. The Special features the top-of-the-line 6.5-inch touchscreen infotainment system with integrated GPS and the BOOM!™ Box 6.5 GT audio system, standard ABS, a gloss black inner fairing and color-matched fairing skirt. When it comes to the Street Glide Special motorcycle, nothing else comes close.
