2009 Harley-Davidson® Ultra Classic® Electra Glide®

The ultimate Touring model from Harley-Davidson®, the Ultra Classic® Electra Glide® is fully equipped for a life on the road. Electronic cruise control, 80-watt Advanced Audio System by Harman/Kardon® with passenger sound system, vented fairing lowers and adjustable fairing wind deflectors, luggage liners, and CB radio/intercom are all standard equipment. The Tour-Pak rack has been redesigned with no pierced holes in the tubes for Tour-Pak attachment. The Tour-Pak and saddlebag capacities are increased by five pounds, and it is easier to adjust the Tour-Pak fore and aft for passenger comfort. New features for 2009 include shorty dual antennas that will clear a seven-foot garage door, mid-frame air deflectors that project radiant engine heat away from the rider, and a brighter, long-lasting LED rear fender tip light.
