2017 Harley-Davidson® Road Glide®

Once you experience the wind-cutting power of the frame-mounted shark nose fairing on the Road Glide® motorcycle, it's hard to get behind anything less.

Cut an unwavering path no matter which way the wind blows.

Those who appreciate the aggressive look and wind-cutting power of the frame-mounted shark nose fairing and dual Daymaker™ Reflector LED headlamps on the Road Glide® model wouldn't ride anything else. And now the ride gets even more aggressive thanks to the all-new Milwaukee-Eight® 107 engine, all-new suspension and Reflex Linked Brembo® brakes. The Road Glide features the BOOM!™ Box 4.3 Radio that puts out 25 watts per channel. It's time to make your own assault on the wind.
