Vehicle Description

Great looking clean title 2010 Subaru Tribeca Limited AWD for sale! The Subaru Tribeca Limited is a great commuter car! It has tons of space for passengers and is super reliable. The Tribeca Limited comes with tons of great features like the nice touch screen radio display, back up camera, digital dash display, Bluetooth with hands free calling, cruise control, navigation, AM/FM radio, CD, AUX input, USB input, dual climate control, great looking heated leather interior, sunroof, power mirrors, power locks, and power windows. mechanics special, price drop due to slight clicking in front, sounds like CV axles, vehicle has not been inspected by a certified mechanic shop so the exact issue is unknown. The car does have some dings on it from a hailstorm it was caught in which is why I have it priced so well. Give me a call or shoot me a text if you would like to come check it out. 247A
