2010 CADILLAC CTS-V IN BEAUTIFUL WHITE DIAMOND TRICOAT!

When Cadillac produced the CTS-V it instantly became the idealistic figure of American Muscle and Luxury in one package. In 2009 Cadillac revised that legendary CTSV with intense styling changes and a jawdropping 556 horsepower (in stock form) SUPERCHARGED "LSA" engine. Dubbed the "4-door corvette," the 2nd generation CTS-V instantly found itself on top of the horsepower races with the GT500's, z06's, srt8's and all the other "competition," while all the others lack an unbreakable reputation for luxury and power. These CTS-V's are truly a one of a kind sports car that is sure to please anyone and is respected in every aspect of the automobile world. Sleek looks and jaw-dropping performance; this Cadillac doesn't fall short in any category! From the beautiful paint, to the flawless leather & suede interior, everything about this car is as good as it was

when it rolled off the assembly line.
